4pm: Floor Talk by curator Kellie Joswig about current CDU Gallery exhibition  
*Yidumduma Bill Harney Bush Professor*

**Snacks provided by AENT. Hot drinks by CDU Gallery.**

4.45: Meeting

### Exhibition

Fernanda Dupal – Feedback from her VADEA Conference

DVAA went back on dates so exhibition dates still 27 July until 11 August 2018.

- Opening on Thursday evening of 26 July - Jigsaw Collective for entertainment.
- We have 9 schools participating in the 'Stick It!' Sticker images. We need one more!
- Location of exhibition still unknown – could be Harbour View or Frog Hollow???
- Update about invites from Mandy
- Image upload page is live on website. Artworks need to be uploaded by July Friday 13<sup>th</sup>.
- Who will collate the exhibition program?
- Who wants to be part of the curatorial team?
- Who wants to organise snacks for the opening event?

### Workshops

- Indigo Dye workshop 16<sup>th</sup> June was fabulous! As usual Bronwyn had a wealth of information to share and everyone who attended learnt a lot about Shibori folding, how to make the dye vat and enjoyed general networking. Attended by 6 members – 2 new ones. See facebook for images.

### Upcoming

- Film maker @ \$600 p/p = \$13,000 for 2 day workshop grant for \$10,000 and charge \$150 per person charge to cover rest of expense. This grant application needs to be submitted again as PTANT confused associations about grants a little this year. A special third round of grants opens early in July.
- Territory Wildlife Park Mural Camp mostly sorted. Advertising begun. Interest in including an eco dye workshop one night too.

- Kamahi :

How does the 29<sup>th</sup> September work for you and the Arts Educators?

Kamahi has said with the camp dog sculptures, it wouldn't be able to be done in a one day session alone. So what we could do is have the stages of the process represented and then handover notes of a where to from here for the teachers to work from post workshop.

I would say it's a longer day commitment for everyone to achieve this if that works.

At last meeting Alison Dowell has offered Anula school as a venue.

- Is Fernanda still interested in running a Cyanotype workshop for exhibition?
- 
- Pozy Dagleish is interested in running a workshop making fingerknit tents.
- 
- New Member Laura Callaghan is interested in helping organise a kiln workshop with Gerald.  
How to set up a kiln.

**AGM:**

Next meeting should be our AGM – possibly at MAGNT / ski club or at DVAA.

We need to finalise books and audit.

Please consider standing for the committee.

**Any Other business:**
