Present: Fernanda Duval, Alison Dowell, Veronica Hodges, Korin Lesh, Kim Boardman and Sam Galletly  
Apologies: Mandy Raines

Meeting commences at 5pm

Veronica moved to accept previous Minutes of Meeting 17 May 2018 be accepted as read and correct. Seconded by Alison Dowell.

Fernanda gave us a talk of her VADEA Conference experience 4-5 May. Great feedback, lots of info and highlights gained. Fernanda found it very inspiring and confirmed it was a great event for her to experience and encouraged others to go for it next opportunity.

Fernanda was not able to do cyanotype at TWPark as she was not available and it was a fiddly workshop which required a dark room so not ideal conditions for this type of workshop.

### **Exhibition**

- Jigsaw Collective band has been booked for opening night of Thursday 26th July.
- Stickers - 9 schools currently contributing (would prefer 10) by end of next week.

- Friday 13th is cut off date for exhibition entries and Friday 20th as absolute final deadline for delivery with curating on Saturday 21st July from 2 pm (Korin to contact DVAA to confirm).
- Hoping to get a key from DVAA to curate and hang artworks Monday 23rd, Tuesday 24th and have a day off before opening on Thursday evening.

- Exhibition Stickers - "ART WORKS! AENT Celebrating 40 Years" - Korin to get Bill Davies to print and install. All agreed to pay a bit extra for Bill to hang stickers.
- Student Stickers it was thought to be 10 for \$10 or \$2 each (can make them for \$1 on last days of exhibiting if needed). May get a student to man a stall for stickers or one of Committee on night.

### **Workshops**

- Film Making Application for Grant money to PTANT was denied as the grant system was confusing in that we had already provided our quote for year. PTANT made it clearer and has advised another round of grants on offer from 2 July so will re-apply for Film Grant then.
- Dates for Film Making given as 11th and 12th October - Korin to add to Events when closer to date.
- Mural Spray Painting Workshop at Territory Wildlife Park has 3 enrolled so far. Bring own masks for this event.
- Bronwyn has advised she will run an eco dyeing workshop on Thursday 12th for those camping at Territory Wildlife Park. Committee felt they wanted to pay Bronwyn to run this event which was agreed.
- Kamahi - Not enough time to do a sculpture so going with a painting workshop.
- Pozy offered to do a fingernet tent workshop in future. More info needed from her.
- Kim Boardman offered to run the metal embossing workshop for close of Exhibition on 11th August and cap the attendees to 12 - all agreed.

Next meeting will be AGM in mid to late August at MAGNT - to be confirmed and after books have been audited. Korin to advise.

Meeting closed at 6.10pm
