

AENT

When: Thursday 17th October, 4.30pm

Venue: Nightliff Foreshore Cafe

Agenda will include:

- Licensing NT concern about not having a President. They contacted Korin last week and said that they will seek to start winding up the association within the month if we don't fill it -as without a President we are not a functioning committee. Licensing NT has offered to come and run committee training about roles and responsibilities if that is useful.

- Britt Guy from Accomplice was interested in coming along - I will email her and ask her if she is available - I will ask her to email Marianne to put her on the agenda if she is still keen.

- the missing image galleries from the website need to be discussed and call for help put out. I have sent out a couple of emails about this - but it might be easier to explain in person.

-Thursday 24th Oct is a PTANT grant meeting - As Treasurer I am happy to attend. Veronica mentioned she might come too? Grant options are changing. It would be good for us to get our next audit done shortly so that we can apply for next year's grants before the end of the year.

-Thursday 31th Oct is a Festival of Teaching Reflection - I am not sure if I can attend - its Halloween. I have already mentioned this to PTANT. I think it would be great for another member to attend for continuity for future FoT events.

- Do we need an agreed process for checking and responding to AENT emails?

- Workshops/ End of year?

Kind Regards

Marianne Foster
