- The PTANT Presidents meeting

Sam may not be able to attend due to family commitments; Jane Kennedy has offered to attend

Sam will speak to Korin about the report from the AGM

For the PTANT meeting we need to give a report...I usually rewrite the report from our AGM

But as we haven't had the AGM we will need to put something together

I don't think it matters now...but we should do it soon

- Our next AGM looking at late June
- AENT General Meeting –28th May via Zoom 4pm

We have done the Audit, we need to take this to the meeting. We haven't spent any money – or at least nothing significant.

Workshop possibilities. The first one is an online drawing session together with Mandy – Committee agreed for Mandy to draft a proposal within an hour perhaps in 2 parts with an all-inclusive cost to AENT. Mandy - We could get our images onto Postcards – A4 size with 1cm border. Mandy to follow through. We thought an art and wine session would be fun. Any expenses – AENT can pay for it. Planned for 22nd May Friday

- Following on from the Postcard idea is have an exhibition

Sam's idea – 'together apart' idea, set of 6 and one is addressed back to the artist, tutorials, time lapses. Pre-stamped, water colour paper

preferably use a local printer

Theme – home/ etc – something to do with our present lives.

Jane idea - All-write organisation – hook up with them

Not sure when to launch this yet. Darwin Festival Prayer Flags for 2021 also discussed.

Contact Darwin community arts if they are interested.

Lots of ideas were floated and everyone keen on thinking more on this

NTGov and list of schools – mail could be internal to save costs

AENT members get a couple each – send one to AENT, send one to friend or back to themselves

Mandy will ask about printer friend

Send them out to schools for people to pick up

- How's everyone going at school?

Overall we are all getting use to the new normal, most students are back if not, teachers are getting use to individual student needs.

- Everyone liked the Darwin Festival project – prayer flag schools get a pack of fabric
- Web developer – if we want to add pages to our website – Web developer is available. All agreed to using a Web developer. Online lessons could be on. Home schooling videos. Web developer could add something about the Online Exhibition.

Veronica says we have plenty in the budget as so much has been cancelled or postponed.
