### 4. ACARA- Arts Curriculum Reference Groups- Curriculum Feedback

- Feedback has been read by ACARA and there will be further changes made.
- Robyn Carmody contacted Jane last week and said further changes will be around the Strands and Core Concepts mainly.
- Feeling from some teachers (especially NSW) felt new changes need to separate making and responding more in core concepts, i.e.
  - learning by making and responding
  - learning as artist and as audience.

### 5. CDU Art Gallery exhibition: 'You Are Here- Therese Richie". Excellent programs and talks

<https://www.cdu.edu.au/artcollection-gallery/artgallery>

- The exhibition has been extended- great opportunity for middle schools and senior schools.
- Korin will share on our facebook page
- Wonderful teaching resources are available both digital and hard copies.

### 6. NCCA Gallery- Opportunity for workshops and events in the Gallery- Visible Thinking workshops, Wine and Cheese with art, Teacher's preview evenings.

- Rita and Petrit spoke to Jane and is happy to offer NCCA for after hours for a PD venue and for possible social AENT get togethers, e.g. Wine and cheese art discussion evenings? Exclusive teacher previews of exhibitions? Project Zero discussions, book club?
- Potential to develop resources for exhibitions.

#### 7. Member's exhibition at DVA- Stickers, Theme etc.

- Next year mid second term.
- Remind teachers at the end of year before the holidays
- Stickers- slow to upload.
- Do they all need a statement
- Would be good to get more remote schools involved with stickers
- Workshops with Shilo didn't eventuate.

#### 8. Finances

- Recently grants have arrived in the bank.
- Presently, \$13000 in bank.
- This is a good time of the year to pay bills, e.g resource development.
- Jane signed financial report and sent back to licencing, in response to their email request.

#### 9. Web Resources – we need feedback! We need to decide what changes are needed so we can start activating this resource.

Before the meeting could you please go and check out this link: <https://arteducators.nt.edu.au/resources/>

- What is an appropriate title- Curriculum Resources?
- Mostly happy with it fairly easy to use and organise
- Sam- Adding a heading at the top .... Search by Filter
- E&P might be better to write as Element & Principle.
- Additional information could be called "other key words" ... just something to encourage/invite people to add their own.
- 'Teaching and Learning' for a heading above the actual resources.
- Two example resources look great
- Jane can add more from working at home resources

#### 10. Any other Business?
