#### **ANY OTHER BUSINESS**

- Advocacy for teachers, especially primary teachers pressured to pick up more than 2 Arts subjects. Alison has been pressured by school to teach Music as well as Visual Arts and Drama (Alison has already recently picked up Drama). What support can we and the department provide for teachers? Primary years senior manager is supportive of arts specialists specialising in no more than 2 arts areas.
- Time recommendations for the Arts T-9 are hopefully going to be mandated in new CARC (Curriculum, Assessment, Reporting and Certification) policy.
